

Independent Living Association: 4th Annual Community Picnic

Promoting high-quality Independent Livings in San Diego County

San Diego, CA – November 7, 2015 – On a beautiful fall day the ILA held its 4th Annual Community Picnic. The day was picture perfect with sunny skies and light breezes. Guests were welcomed upon arrival with delicious lemonade and cotton candy!

The picnic was attended by Independent Living Home owners who are ILA members, as well as residents of ILA member homes and community providers. This yearly get-together celebrates all the great work ILA members are doing for their residents and the greater San Diego community. It is also a great opportunity for owners and community providers to network with one another and for residents of various homes to meet and connect.

Picnic attendees enjoyed music, multiple lawn games including volleyball, ladder ball, and corn hole, and a delicious barbeque prepared by Picnic People.

This year's art project included a "Gratitude Quilt" where attendees could write down on a square of paper what they appreciate about their homes. These squares will then be "sewn" together to become an ILA quilt to showcase the positive experiences of love and support residents receive in their ILA member homes.
